

## Academic Information

### State Report Card

Indicators Met: 11 out of 12

State Grade: A

Indicators Met measures the percent of students who have passed state tests. Test results are reported for each student in a grade and subject. At least 80 percent of students must pass to get credit for the indicator.

Performance Index: 108.3 out of 120

State Grade: A

The Performance Index measures the test results of every student. The higher the achievement level, the more points awarded in the school's index.

### Component Grade

State Grade: A

The Component Grade is a weighted combined grade of Indicators Met and Performance Index. Indicators met contributes 25% of the Component Grade, while Performance Index contributes 75% of the Component Grade.
