## ***A MESSAGE FROM THE SUPERINTENDENT:***

Our second semester is underway and it's hard to believe we are halfway through another school year. The students and staff continue to excel at high levels and the accomplishments of our students are certainly impressive. It is exciting to witness the incredible talents of our students on a daily basis.

We are also aware that these accomplishments cannot be achieved alone and without the support of our district residents and support groups, these successes would not even be possible. I would like to take a moment to thank all of our Booster groups for their support of our school. The Booster groups provide additional support for our academic and athletic programming. Their financial assistance in providing facility upgrades is also appreciated. This Booster support is just another example of the excellence within our school and community.

As I mentioned in the December newsletter, the renewal of our current income tax levy will be on the May 7, 2019 ballot. This is a renewal and not a new levy. The 1.5% income tax was first approved in 2005, and our community has supported its renewal in 2009 and again in 2014. The renewal will be for a period of five years. The income tax is critical as it allows our district to provide excellent educational opportunities and facilities to our students and community. The income tax is responsible for 22% of our operating budget so its renewal is critical to our district operations. We certainly hope you take the opportunity to vote on this income tax renewal on May 7<sup>th</sup>.

We recently received some very good news which you may have read about. Our district was notified that we were awarded a \$40,000 grant which we will be using to increase school safety. We will be upgrading our video surveillance and software systems at both buildings. This upgrade will increase the security of our buildings and the safety of our students. The grant money will pay for a substantial amount of the total project cost.

Inside this newsletter, you will find information regarding Kindergarten Registration and Screening. Our date for screening this year will be on April 11, 2019 from 8:00am - 5:00pm in the high school gymnasium. You will also find transportation and registration forms inside this newsletter that you should complete prior to the screening date. The registration and transportation forms are due to the elementary by March 22.

Dates for summer camps are also included in this newsletter. For your future planning, Summer Shutdown week will be from Saturday, June 29 – Sunday, July 7. No school related activities will take place during this time.

As always, we appreciate your support for our schools and programming. We have a lot to be proud of in our community, and nothing is ever successful without the support of many. Go Redskins!

In Education,

***Daniel B. Holland***

## NOTES FROM THE JR/SR HIGH SCHOOL PRINCIPAL:

As the second semester at Fort Loramie High School has begun, and we continue to work to improve our academic achievement, below are some dates that will be important in either showing the strides your child has made this school year, or in helping to plan for your child's future. Two dates in particular I want to provide further detail on, are March 12<sup>th</sup> and March 19<sup>th</sup>.

On March 12<sup>th</sup>, all juniors enrolled at Fort Loramie, will take the state-funded ACT test. This is part of a new state requirement that schools must administer a state-funded college and career readiness test to juniors (which began in the spring of 2017), as one of the student's three diploma options. All students will test in the morning at FLHS. Please put this date on the calendar for your junior student, it is imperative that they attend school to test on this day.

On March 19<sup>th</sup>, all senior students will report to the high school, and all seniors will receive CPR/AED training from Wilson Hospital. The district will also pay for all the certifications of the students as well. This is part of the new Ohio Revised Code that states each school (grades 9-12) must provide instruction in CPR and the use of an AED to all students.

As well as ACT testing and CRP training; all junior and senior students will be offered a self-defense class on these dates as well (seniors will take self-defense on the 12<sup>th</sup>, juniors will take self-defense on the 19<sup>th</sup>). The class will be done through the Shelby County Sheriff's Office and Deputies Dave Spicer and Kyle Gee will teach the course. Participants will learn and practice situational awareness, defense from common holds, ground defense, and effective body strikes.

More information will be made available about these events as the dates get closer, along with the other dates that are listed below. Should you have any questions about these events, or your child's education, please don't hesitate to give me or the staff here a call.

It is your support that makes our success at FLHS possible, and we thank you for your assistance.

Sincerely,

Kreg J. Hollenbacher  
Jr/Sr High School Principal

## SCHOOL SPIRIT

Help us raise funds for our playground by saving specially-marked Aunt Millie's (SUNBEAM OR HOLSUM) and Soft 'N Good bread bags.

Fort Loramie Elementary has enrolled in Aunt Millie's School Spirit Program. Aunt Millie's believes that education is vitally important to our children and our communities. That's why they've created the School Spirit Program – a program that will help us earn money when parents do something you already do anyway: Buy bread!

It's easy! All you have to do is clip out and save the UPC codes on the bottom of the bread bags. When you collect and turn them in, Aunt Millie's will pay us a nickel for every UPC. Those nickels add up fast, and we can use the money for our playground funds.

Just save proof-of-purchase symbols (UPCs) with the School Spirit symbol from eligible products, and turn them in to the elementary school office. The proof-of-purchase is the bar code and School Spirit symbol found on the bottom of the bread wrapper. Just clip it out! Please do not send entire bread bags.

## BOX TOPS ROUND-UP

The next big round-up for *Box Tops for Education* will be **February 25, 2019**. If you have been collecting Box Tops or Bonus Box Tops, please get them to school by this date, so they may be included in our spring payment.

When we work together, these little coupons really add up. Since 1999, we have earned over \$33,000. Proceeds are for benefit of the elementary playground.

Each regular Box Top for Education coupon is worth 10¢. They can be found on products from brands such as General Mills, Annie's Organic, Green Giant, Yoplait, Reynold's, Kleenex, Scott, Hefty, Ziploc, and Lysol. Bonus Box Tops can be earned when you use the Box Tops App. For a list of participating products, coupons, and other ways to participating, check out the website: [www.BTFE.com](http://www.BTFE.com).

# 2019 Kindergarten Screening & Registration

Dear Parents,

Enclosed in this newsletter are registration materials and information needed to begin the process of kindergarten registration. Please fill out the enclosed paperwork which consists of the registration form and the transportation form. In addition, we will also need copies of the following documents: **child's official birth certificate, social security number, immunization records, and custody papers** (if applicable). All of these documents and copies need to be returned to the elementary school office as soon as possible. **You will not be able to register for screening until all of the required documents are turned in.** Kindergarten classes will be all day, every day for the 2019-2020 school year.

Screening will be on April 11, 2019 from 8:00am-5:00pm. **After all of your paperwork has been submitted,** please call the elementary office as soon as possible at (937) 295-2931 and speak with a secretary to schedule a screening time for your child. You may also stop by the office and deliver your paperwork and schedule a screening time. Every child needs to have an appointment to be screened. **Registration form and transportation forms are due back by March 22<sup>nd</sup>.**

A child must be five-years-old by August 1, 2019 to attend kindergarten this fall. When coming to screening, children should wear comfortable clothing and tennis shoes as they will be asked to do various activities dealing with gross motor and fine motor skills. They will also be participating in memory recall activities. On the day of your child's appointment, you will need to report to the **HIGH SCHOOL GYM**. Upon arrival, your child will begin their part of the screening process. You will be able to observe from a distance as this part of the process is taking place. You will also need to talk with various school related personnel about health issues, transportation and busing, and kindergarten expectations. After your child has finished his/her part of the screening, our kindergarten teachers, Jenny Knouff, Jana Hoying and Joni Siegrist, will review the results of the screening with you and answer any questions you may have.

The Ohio Department of Health requires the following immunizations to be completed prior to starting the 2019-2020 school year: DTaP, Polio, MMR, Hepatitis B, and Varivax (chickenpox). The Public Health Nurse will be available during registration to answer any questions you may have and to review your child's immunization record and inform you of any needed vaccines.

**Please call the elementary office at (937) 295-2931 if you are holding your child for the 2019-2020 school year and not registering them.** If you have any questions about the kindergarten registration, or screening process, feel free to contact the elementary school office at any time. We are looking forward to meeting you and your child and welcoming them to the Fort Loramie Local School system.

## FORT LORAMIE SCHOOL DISTRICT BUSSING PROCEDURES

**These procedures are made to ensure the safety of all students and to reduce the possibility of errors.**

Because we need to allow bus drivers the opportunity to learn their routes, there will be no changes for any reason to bus routes during the first two (2) weeks of school.

All bus requests are required to provide a 48 hour notice. In all cases, 48 hour notice excludes weekends and days when school is not in session. **EXCEPTION:** If your child is in Destination Imagination, Kids Korus or will be getting tutored after school, etc., please just send in a note the day of with the dates. We will not require 48 hours' notice.

All parents will need to establish one pick up and/or one drop off address for their child/children. This means each day your child will get on the bus at one stop and get dropped off at one stop. Even though the pick-up and drop off address must be the same every day of the week, they can be different from each other. You may request your child be picked up at home, but be dropped off at the babysitter. Parents won't be permitted to provide the driver with an inconsistent work schedule and request that their child get picked up and dropped off at a different location depending on the day of the week. Schedules must be consistent every day, allowing no daily changes. See details/examples below.

1. We will arrange for your child(ren) to have a varied schedule as long as both an AM and PM are at that same spot and are a set schedule. Example: children picked up in AM and dropped off in PM Monday and Tuesday at home and AM pick up and PM drop off Wednesday, Thursday, Friday at the babysitters.
2. Parents that have shared parenting, with documentation on file, will be permitted to have their child picked up and dropped off at both addresses as long as both addresses are in the Fort Loramie School District. However, the schedule must be the same each week. Parents will be permitted to have an every other week arrangement for bussing as long as it is a set schedule & does not change. Also, we will permit Monday, Wednesday, & Friday AM and PM at mom's house and Tuesday & Thursday AM & PM at dad's house as long as it is a set schedule.
3. Students will not be permitted to ride home with another student on the bus or to be dropped off at another location other than their assigned drop off address. Example: A student brings a note from home stating that she/he needs to take the bus to a friend's house. Any exceptions will require 48 hour notice and approval by the Superintendent or Transportation Coordinator.
4. Students will be permitted to get on the bus at any established stop on their current bus route without a 48 hour notice. Students CANNOT get on any bus other than their assigned bus.
5. School delays will follow the following guidelines; Students will be permitted to get on the bus at another assigned stop on their own route where they will be recognized by their bus driver or if your child already has an established babysitter stop, they may be picked up there. This does not need to be cleared through the transportation department.
6. Emergency situations will allow for a change without prior approval, but will require the approval of the Superintendent or Transportation Coordinator. Building secretaries and the child's teacher are not authorized to make this decision. Some examples of an emergency situation would be an accident or a health emergency.

All bussing changes require a 48 hour notice and must be made directly to the transportation department, 937-295-3931 or e-mail [deb.westerheide@loramie.k12.oh.us](mailto:deb.westerheide@loramie.k12.oh.us). When sending by e-mail the 48 hours will start after you receive confirmation of the change. Notes/phone calls to a teacher, building secretaries or bus driver requesting a change cannot be granted.

All final decisions on transportation requests rest with the Superintendent or Transportation Coordinator. Please read the Questions & Answers section below to assist you in understanding the bussing procedures within the district.

## QUESTIONS & ANSWERS

**I forgot to let the transportation department know that I had changed babysitters this year. The bus will be stopping at the babysitter's house. May I request a bussing change to start on the first day of school? Yes, but this change will need a 48 hour notice and will need Superintendent or Transportation Coordinator approval.**

**Can my children be picked up in the AM every day at our residence and be dropped off 3 days a week at the babysitter and the other 2 days dropped off at our residence? Yes to AM as it is the same pick up point. No to PM as they must have the same PM drop off point every day.**

**I will be on maternity leave, can I have my child(ren) pick up and dropped off at our residence instead of the babysitters? Yes. Please notify us as soon as feasible.**

**In the case of a school delay, I have to leave for work before the bus will be at my house to pick up my children. Can I make other bussing arrangements for only delay situations? Yes. As stated in rule #5, your child may get on at another established stop on their route or if your child already has an established babysitter stop, they may be picked up there. We will not establish a new stop.**

**I am going to start a new job, and need to have my children dropped off at a babysitter after school. Will I be able to make this bussing change? Yes. You will need to give a 48 hour notice.**

**We just built a new home, but there is no bus that currently goes by our house. Can I request transportation for my child/children? Yes. We will change bus routes for new homes, moving to a different home, or move-in situations as long as the new address is in the district. You will need to provide a 48 hour notice.**

**My babysitter has a situation that makes her unavailable to watch my child for the next three days. Can I request a bus change? Yes, but any request of this nature requires a 48 hour notice and must be on a current bus route at an already established stop. We will not establish a new stop.**

**My children usually get off the bus in the PM at the babysitter, but I am going to be home for the next few days, can I have them dropped off at home instead of the babysitters? If your home residence is not a regular stop on the route in the PM, and it is a different bus route, then No as this is not an established stop. Even though the bus may stop in the AM. The AM and PM route sheets are different due to student's different AM & PM schedules.**

**My Child has Destination Imagination and/or Tutoring after school, do I need to send in a note 48 hours in advance?**

No, please just send in a note the day of. Example: If they have practice after school on Tuesday, please send in a note Tuesday morning. You may also list all the dates on one note.

**My Child has Kids Korus after school, do I need to send in a note 48 hours in advance?**

No, please just send in a note the first day of practice letting the office know they are in Kids Korus. They have a set practice schedule, so just the first day will be fine.

**We will still be having the Town Courtesy stops.**

All town stops are courtesy stops. We do not keep track of who gets on or off at these stops. However, if your child usually rides a regular bus route and they want to go to a courtesy stop, this will require 48 hours' notice. This is necessary as it will indicate to the bus driver that this student is on or off their bus.

**Please indicate on the form which Courtesy stop you will be using.**

Courtesy town bus stops are currently; Indian Trail (south side), Eastview (near 56 Eastview & 70 Eastview), Oakwood (near Wabash & near Miami), Stadium (near 250 Stadium), Greenback (400 Greenback), Woodland (near 140 Woodland), Monterey (near 260 Monterey), Hickory (near 75 Hickory), Elizabeth Court (near 545 Elizabeth). **These are subject to change.**
