Dear Fort Loramie Alumnus and/or Community Member,

The Fort Loramie Education Foundation (FLEF) is a non-profit organization established in 2002 to solicit and receive charitable contributions and apply those contributions back to the community in the form of scholarships and educational programs. Since 2002, over 285 Fort Loramie graduates have been awarded scholarships exceeding a total of \$300,000 to assist with post-secondary education.

We cannot thank the district residents, alumni, and businesses enough for your generosity! Additional funds have been received through grants, memorial contributions, and other sources. These contributions have helped bring many of the scholarship funds listed on page 2 closer to the endowment goal of \$25,000, which would perpetuate those scholarships for years to come.

The scholarships have been made possible by donations from individuals who recognize the financial burden young people and their families face when trying to pursue higher education. This is a great opportunity to pay tribute to a loved one's memory and assist Fort Loramie students with reaching their educational goals. You can also create the opportunity to recognize a family member with a scholarship fund.

FLEF invites you to contribute to any of the scholarships listed or to our general fund to help bring in educational speakers to the school.

As in previous years, contributors will be acknowledged in the academic achievement banquet and graduation programs unless they wish to remain anonymous. This is a timely chance for a tax-deductible donation before the end of the year.

Thank you for your time and consideration to contribute to the Fort Loramie Education Foundation.

Sincerely,

Jenni Wilt, President  
Fort Loramie Education Foundation
