Redskin Review

Fort Loramie Local School District **JUNE 2026**

A Message From the Superintendent:

I was honored to celebrate the 55 graduates from the class of 2026. These graduates earned over 1.95 million dollars in renewable scholarships. Many individuals have contributed to the success of these students. As they close this chapter, their paths forward are as unique as they are: two graduates will proudly serve our country by enlisting in the Armed Services, 15 will bring their talents directly to the workforce, and 38 will continue their education at two- or four-year colleges. On behalf of the BOE, we offer each them the best of luck in their future endeavors.

The June edition of the newsletter includes the annual recognition of all our students, and this has been another successful school year. We continue to be rated excellent, and are very proud of our accomplishments. This year, the school district was one of only 47 districts throughout the state of Ohio to receive the 5 Star District designation from the Ohio Department of Education. In addition, the JH/HS building was recognized as a 5 Star Building. Your school district continues to achieve at extremely high levels.

Our community has once again shown tremendous support for the Education Foundation's involvement in Match Day. The specific project chosen this year was the construction of a sensory barn at the elementary school. In addition to the funds collected, Middendorf Builders, Inc. has graciously donated their time to frame up the structure, and community volunteers will be utilized to finish the interior of the building. We hope to have this project completed in time for the start of the 2026-27 school year. Thank you to all involved in this project!

The athletic facility project has begun and is on schedule to be completed next spring. Most of the underground work is completed, and the structure walls have started to be erected. This summer will see a lot of action as the building exterior is completed and work will move to the interior of the building. We are excited to see this project come to life and it will serve our students for many years to come. For anyone wishing to donate to the project there is a fund setup with the Community Foundation of Shelby County, named the "Fort Loramie Schools Athletic Complex Fund." The donations are tax deductible, and may be made through cash, stocks, or gifts of grain. Donations can be made online through the Foundation website.

Thank you to our community for your continued support. We have had another extremely successful school year, and that doesn't happen without the support of many individuals.

Have a great summer!

In Education,

Daniel B. Holland

A Message From the High School Principal:

The 2025-2026 school year has now officially ended. We had some recognition as a building (5-Star Rating) as well as a long list of individual achievements in our school. It was again, another successful year here at FLHS. And the exciting part is, as I write today, we still have athletes competing in Track and Baseball that could add to our list of accomplishments.

For our other athletic teams, the summer marks a time to begin the work for next year and transition to the fall sport seasons. For those athletes who will be attending camps and workouts during this time, we will still plan to use our parking plan from April and May, and avoid the lot near the construction area of our athletic facility when possible. Thank you to everyone for helping us during our transition of accommodating construction and housing bussing at the building. Your assistance in that process was appreciated.

In the next few weeks, we will evaluate our procedures for parking and vehicular traffic to end this past school year, and look to make improvements and adjustments where possible, for this coming August.

Over the summer, please be on the lookout for information on how to submit your necessary information via Final Forms. One update that will be addressed in our handbook will be an important change in state law regarding student attendance, and how chronic absenteeism will be documented and communicated to the local courts (if necessary). As a reminder, for your child to participate in athletics, they will need their emergency medical form completed, and their physical form uploaded into Final Forms. If you have any questions about Final Forms, and the completion of all required paperwork, please feel to contact Mr. Frilling, Mr. Westerheide, or myself.

Finally, as always, we thank you for your continued support and assistance. It is your support that makes our success possible.

Sincerely,

Kreg J. Hollenbacher

Fort Loramie Education Foundation

The Fort Loramie Education Foundation (FLEF) raised a total of $36,594 during the 2026 Match Day for the Elementary Sensory Barn. Stay tuned for further project information and updates on social media. Thank you to the community for your charitable contributions!

FLEF awarded numerous scholarships totaling around $25,000 to our 2026 graduating Seniors at the Annual Academic Achievement Banquet on April 29. A special thank you to all of the local businesses and individuals who have donated - we couldn't do this without your generous support from our community!

From the Elementary Principal

As we wrap up another successful school year at Fort Loramie Elementary, I want to thank our students, staff, parents, and community for the support, hard work, and commitment shown throughout the year. It truly takes a team effort to create a positive learning environment where students can grow academically and personally, and we are fortunate to have such a supportive school community.

Our students once again performed extremely well on the Spring State Assessments, and we are very proud of their effort and achievement. These results reflect the dedication of our students and the outstanding work of our teachers and staff throughout the school year.

Spring State Assessment Passing Rates:

3rd Grade ELA – 100% 4th Grade ELA – 96% 5th Grade ELA – 98% 6th Grade ELA – 89%
3rd Grade Math – 100% 4th Grade Math – 100% 5th Grade Math – 100% 6th Grade Math – 93%
5th Grade Science – 98%

Please take time to review the Intermediate Student Awards included in this month's newsletter. Congratulations to all of our students being recognized for their academic accomplishments, leadership, and positive contributions to our school.

As you make summer plans, please keep these important dates in mind for the start of next school year:

- **Open House: Monday, August 17th from 6:30–8:00 p.m.**
- **First Day of School: Wednesday, August 19th**

Thank you again for another great year at Fort Loramie Elementary. We hope everyone has a safe, relaxing, and enjoyable summer, and we look forward to seeing our students back in August!
