Personal Statement

On a separate page, please respond in a short essay of 500–1000 words. Attach your typed response to this application.

How did your participation in sports during your high school years influence you? Please describe your unique characteristics, accomplishments or experiences you feel we should consider in evaluating your application. Stress those qualifications, which distinguish you from other applicants.

Very Important Note: Out of respect for the sponsors of Shelby County League sports on Press Pros, we ask that you attend a recognition banquet if you happen to be chosen as this year's recipient of our scholar/athlete scholarship. This will be held mid-week during the *second week of June*, and if you think you might not be able to attend because of a class trip, we ask that you consider the wishes of those sponsors who wish to acknowledge your achievement first-hand. Therefore, it's mandatory that you make every possible attempt to attend. If you choose not to apply for this reason...we understand.
