

# FORT LORAMIE ATHLETIC BOOSTER CLUB MEMBERSHIP DRIVE

Fall 2020

Dear Fort Loramie Community Resident:

The Fort Loramie Athletic Booster Club has donated several thousands of dollars over the past year to numerous athletic groups and facilities. We would like to **THANK YOU** for making these things possible.

We are currently conducting our membership drive and would greatly appreciate your donation. By being a member you are not obligated to help with fund raising activities. The officers and directors normally share the majority of this commitment. If you are interested in becoming more involved as an officer or director, please reach out to any of the committee members listed below for more details.

The benefit of being an Athletic Booster Club member is sharing community pride by providing quality facilities and equipment for our student athletes and coaching staffs. Please consider joining the Athletic Booster Club to continue the great tradition of community support.

The Athletic Booster membership fee is \$10.00. This is for both single and family memberships. Please make a check payable to the Fort Loramie Athletic Booster Club or **Venmo @Janet-Siegel-6 (include your full name)** if you wish to become a member. You can also go to our new website [www.flathleticboosters.com](http://www.flathleticboosters.com) to pay your membership online. **Please respond by December 31, 2020.**

**Janet Siegel**  
**48 Greenback Rd.**  
**Fort Loramie, Ohio 45845**
