

# THINKING BEYOND THE TEXT

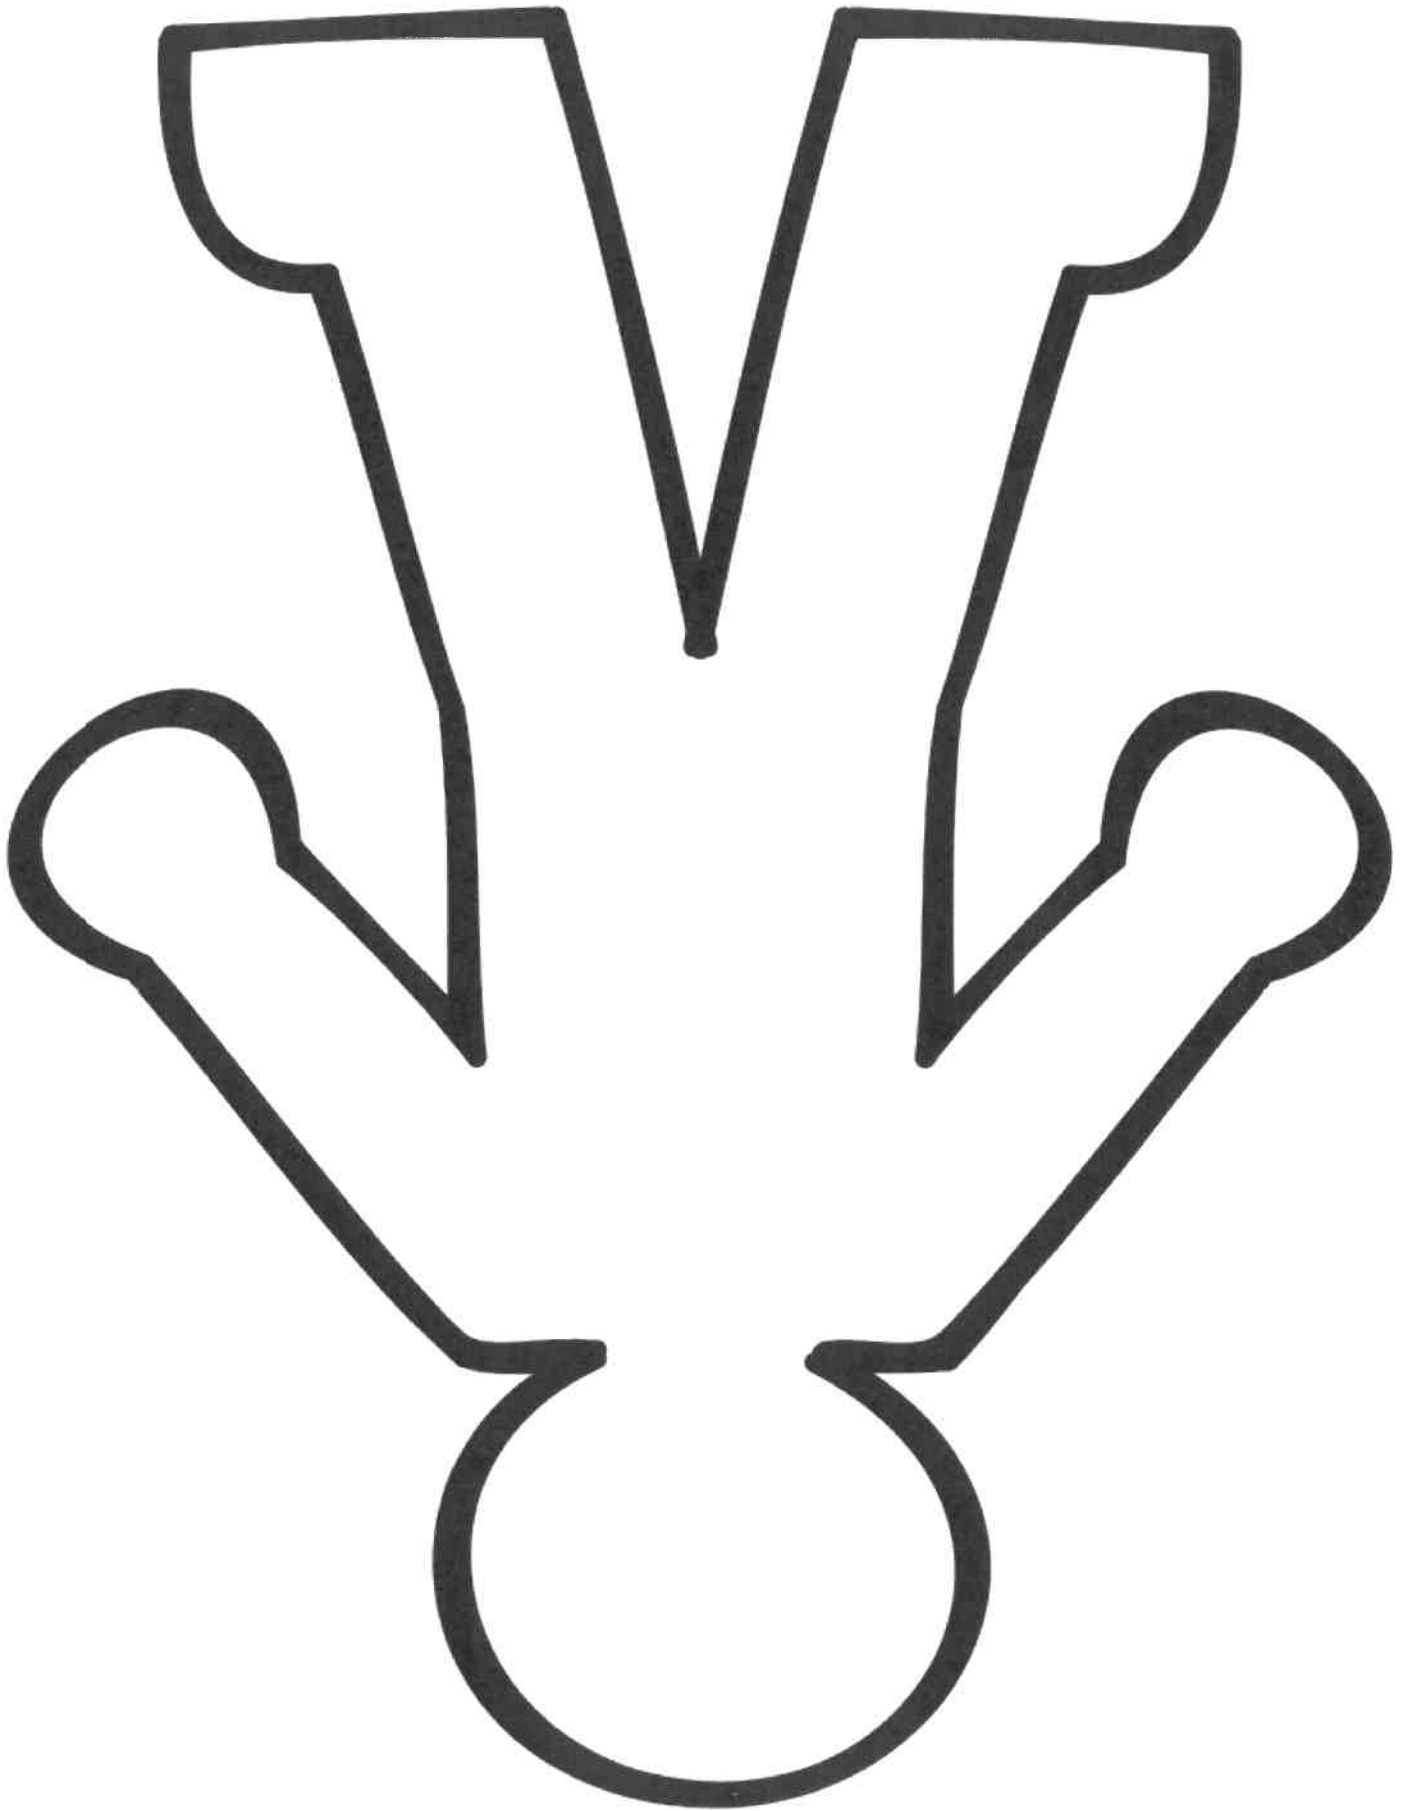

ONLY  
MAKE  
PERSON

Step into 2nd Grade

Students create their own synopsis for a story similar to Chocolate Fever. They create the main character, title, setting, supporting characters, about the illness, and the cure. Students put the elements together to make a display for their story.

Is there a cure for...

Is there a cure for...

Is there a cure for...

Is there a cure for...
