

Add Parent Access to Internet Explorer 11's Compatibility View

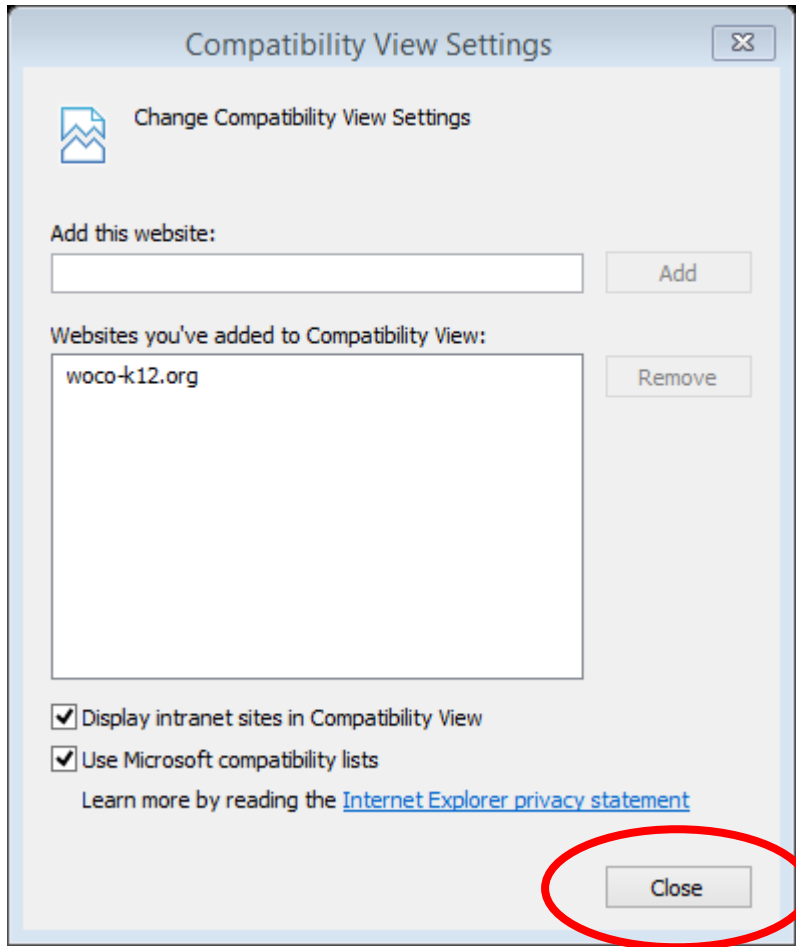

1. Open Internet Explorer 11.
2. Navigate to [Parent Access](#).
3. Click the Gear Icon in the upper-right corner and select **Compatibility View Settings**.

4. woco-k12.org should appear in the Add this website: box. Click the **Add** button to add it to the Compatibility View site list.

5. Click the Close button.

6. Refresh your browser window to login to Parent Access.
