#### 1. INSTRUCTIONS

Gather this information to complete your application.

\* Your transcript:

High school students - You may choose to either request your transcript from your guidance office or upload your own. If you have taken College Credit Plus courses for college credit and they are NOT shown on your high school transcript, please contact our office to add your college grades.

College students - Please manually upload your transcript or advising report, which includes grades for each class. This does not need to be an 'official' transcript; your advising report is acceptable. Personally written or typed grade information will not be accepted.

\* A list of school and community service activities

\* Letters of recommendation: 1-3 letters are required. We recommend you submit more than one. Your application will NOT be given to the selection committee unless we have received, by the deadline date, at least one letter of recommendation. The application provides you three options to submit each letter of recommendation.

\* Your EFC (Expected Family Contribution) report number from the FAFSA. The FAFSA website is [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov). We do have some scholarships that DO NOT require this information.

\* College cost information. This information is found on your college's website, often in the Admissions or Financial Aid section.

**Letters of Recommendation:**

**A word of caution:** Your application is not complete without the submission of at least one letter of recommendation from a teacher, coach, advisor, employer or other non-family reference. You can submit the application without any letter attached, but if the Community Foundation of Shelby County does not have a recommendation letter by the application deadline, your application will not be considered for scholarships.

You have three options to submit a letter of recommendation:

1. Attach a letter to your application by uploading it. (shown on the screenshot above)
2. You or your recommender can mail, email or deliver a letter to the Community Foundation by the deadline. We will attach the letter to your application.
3. You can enter a recommender's email address and the online application system will automatically send an email requesting a letter of recommendation.

We encourage you to have more than one recommendation in case one of your recommenders fails to submit by the deadline. It is your responsibility to ensure there is at least one letter submitted. Letters can give information about you that might not be obvious on your application. Besides, one of your recommendation letters might appeal to the scholarship selection committee and it might tip the decision in your favor!
