GARMANN MILLER

2026

HIGH SCHOOL SENIOR SCHOLARSHIP APPLICATION FORM

Garmann Miller is an award-winning multi-service design firm. We partner with communities to design inspiring places where people learn, connect, and create.

We are pleased to invite graduating seniors to apply for a scholarship based on the qualifications below. Three $1,000 scholarships will be awarded.

To be considered for these scholarships, a student must:

1. Be a graduating high school senior.
2. Intend to pursue studies related to professional design services, such as architecture; mechanical, electrical, plumbing or civil engineering; landscape architecture; interior design; communication; marketing; and graphic design.
3. Answer the questions listed on the following pages. Please ensure that all responses reflect your own personal thoughts and experiences, rather than content generated by AI or other automated tools.
4. Email application to Juliana Brown at jbrown@creategm.com by **Feb. 28, 2026**

Question 1: Why have you chosen this course of study and career path?

Question 2: At Garmann Miller, our team members are encouraged to consistently live out our corporate values in our daily work. In your essay, identify one personal value that matters most to you and explain why it's meaningful. Describe how you put this value into action through your choices, behaviors, and interactions in school, your community, or your personal life.
