# REDSKIN REVIEW

FORT LORAMIE LOCAL SCHOOL DISTRICT

**FEBRUARY 2022** 

### A MESSAGE FROM THE SUPERINTENDENT:

As we continue to battle various Covid related issues this winter, we have been able to remain open for in person student learning. Our students and teachers do best when they are working together on a daily basis. I know it hasn't been easy, but we continue to work to provide a safe and healthy environment for learning. Our extra-curricular activities have also been able to continue with their season, and that is definitely important for our students and community.

This *Redskin Review* contains information regarding Kindergarten Registration. Your child must be five years old by August 1, 2022 to attend kindergarten for the 22-23 school year. Screening will take place in the high school gymnasium on April 7, 2022. There is important paperwork included in this newsletter that you will need to fill out prior to registering your child for screening. Please call the elementary office with any questions you may have regarding screening and registration.

I would like to extend our sincere gratitude to our many booster groups for the support they provide our students. The support they show for various programs and our students is humbling. The support is also critical to the continued success of our students and school. You will find a few opportunities in this newsletter to support our various booster groups. Thank you for your continued support.

You will also find summer camp schedules within this newsletter. The no contact period for our students will be July 2—July 10, 2022. There will be no school related activities scheduled during this time.

We appreciate the support that our community gives our school system. We have garnered many awards and accolades and have been ranked very high compared to all schools across the state of Ohio. This doesn't happen by accident. It's a combination of many things that lead to this success.

In Education, **Daniel B. Holland**Daniel B. Holland

### NOTES FROM THE JR/SR HIGH SCHOOL PRINCIPAL:

As the second semester at Fort Loramie High School has begun, and we continue to work to improve our academic achievement, below are some dates that will be important in either showing the strides your child has made this school year, or in helping to plan for your child's future.

On March 1<sup>st</sup> will be our ACT testing for all juniors at FLHS. All juniors will report and take this state-funded ACT at the high school.

On March 15<sup>th</sup>, all seniors will be at FLHS for CPR and AED training with Wilson Medical Center. This training will be paid for the district, as it allows us to comply with state law, and is a requirement for graduation.

Then beginning on April 6<sup>th</sup>, we will start state testing here at the school with the Language Arts exams. Our test dates this year will be Wednesday and Thursdays in April (excluding April 13<sup>th</sup> and 14<sup>th</sup>) and on these dates, we will operate our bell clock on a two-hour delay schedule. Therefore, if your child does not test on that date, they will not need to report to school until 10am. If your child doesn't test on a date, but still has to arrive at school as they normally do (before 8am), that is alright, we will have rooms set aside for students who are not testing and they can complete work or activities at this time. This is all being done this year because our Chromebook adoption program now allows us the opportunity to do so, and as the testing dates gets closer, more information will be sent out with regards to our testing procedures for this year.

Finally, I would just like to say thank you for everyone's support this school year. Staff, students, parents, community members – everyone. As always, it is everyone's support that makes our success at FLHS possible, and I thank you for your assistance.

Sincerely,

Kreg J. Hollenbacher Jr/Sr High School Principal

## 2022 Kindergarten Screening & Registration

Dear Parents,

Enclosed in this newsletter are registration materials and information needed to begin the process of kindergarten registration. Please fill out the enclosed paperwork which consists of the registration form and the transportation form. In addition, we will also need copies of the following documents: **child's official birth certificate**, **social security card**, **immunization records**, **and custody papers** (if applicable). You will not be able to register for screening until all of the required documents are turned in. Registration form and transportation forms are due back by March 18th.

Screening will be on April 7, 2022 from 8:00am-3:00pm. <u>After all of your paperwork has been submitted</u>, please call the elementary office at (937) 295-2931 and speak with a secretary to schedule a screening time for your child. You may also stop by the office and deliver your paperwork and schedule a screening time. Every child needs to have an appointment to be screened.

Kindergarten classes will be all day, every day for the 2022-2023 school year. A child must be fiveyears-old by August 1, 2022 to attend kindergarten this fall. When coming to screening, children should wear comfortable clothing and tennis shoes as they will be asked to do various activities dealing with gross motor and fine motor skills. They will also be participating in memory recall activities. On the day of your child's appointment, you will need to report to the HIGH SCHOOL GYM. Upon arrival, your child will begin their part of the screening process. At this time, you will also be asked, if you aren't already enrolled, to enroll in our Oneview program. If you already have a child/children in the school system, you should already be enrolled in Oneview. If that is the case, please bring your account name and password with you to screening so we can add your kindergarten student to your account. You will also need the contact information of your child's healthcare providers, as well as the contact information of any emergency contacts you wish to keep on file. You will need to talk with various school related personnel about health issues, transportation and busing, and kindergarten expectations. You will be able to observe your child from a distance as they complete the screening process. After your child has finished his/her part of the screening, our kindergarten teachers, Jenny Knouff, Jana Hoying and Joni Siegrist, will review the results of the screening with you and answer any questions you may have.

The Ohio Department of Health requires the following immunizations to be completed prior to starting the 2022-2023 school year: DTaP, Polio, MMR, Hepatitis B, and Varivax (chickenpox). The Public Health Nurse will be available during registration to answer any questions you may have and to review your child's immunization record and inform you of any needed vaccines.

<u>Please call the elementary office at (937) 295-2931 if you are holding your child for the 2022-2023 school year and not registering them.</u> If you have any questions about the kindergarten registration, or screening process, feel free to contact the elementary school office at any time. We are looking forward to meeting you and your child and welcoming them to the Fort Loramie Local School system.

#### FORT LORAMIE SCHOOL DISTRICT BUSING PROCEDURES

#### These procedures are made to ensure the safety of all students and to reduce the possibility of errors.

Because we need to allow bus drivers the opportunity to learn their routes, there will be no changes for any reason to bus routes during the first two (2) weeks of school.

All bus requests are required to provide a 48 hour notice. In all cases, 48 hour notice excludes weekends and days when school is not in session. EXCEPTION: If your child is in Destination Imagination, Kids Korus or will be getting tutored after school, etc., please just send in a note the day of with the dates. We will not require 48 hours' notice.

All parents will need to establish one pick up and/or one drop off address for their child/children. This means each day your child will get on the bus at one stop and get dropped off at one stop. Even though the pick-up and drop off address must be the same every day of the week, they can be different from each other. You may request your child be picked up at home, but be dropped off at the babysitter. Parents won't be permitted to provide the driver with an inconsistent work schedule and request that their child get picked up and dropped off at a different location depending on the day of the week. Schedules must be consistent every day, allowing no daily changes. See details/examples below.

- 1. We will arrange for your child(ren) to have a varied schedule as long as both an AM and PM are at that same spot and are a set schedule. Example: children picked up in AM and dropped off in PM Monday and Tuesday at home and AM pick up and PM drop off Wednesday, Thursday, Friday at the babysitters.
- 2. Parents that have shared parenting, with documentation on file, will be permitted to have their child picked up and dropped off at both addresses as long as both addresses are in the Fort Loramie School District. However, the schedule must be the same each week. Parents will be permitted to have an every other week arrangement for bussing as long as it is a set schedule & does not change. Also, we will permit Monday, Wednesday, & Friday AM and PM at mom's house and Tuesday & Thursday AM & PM at dad's house as long as it is a set schedule.
- 3. Students will not be permitted to ride home with another student on the bus or to be dropped off at another location other than their assigned drop off address. Example: A student brings a note from home stating that she/he needs to take the bus to a friend's house. Any exceptions will require 48 hour notice and approval by the Superintendent or Transportation Coordinator.
- 4. Students will be permitted to get <u>on</u> the bus at any established stop on their <u>current bus route</u> without a 48 hour notice. Students CANNOT get on any bus other than their assigned bus.
- 5. School delays will follow the following guidelines; Students will be permitted to get on the bus at another assigned stop on their own route where they will be recognized by their bus driver or if your child already has an established babysitter stop, they may be picked up there. This does not need to be cleared through the transportation department.
- 6. Emergency situations will allow for a change without prior approval, but will require the approval of the Superintendent or Transportation Coordinator. Building secretaries and the child's teacher are not authorized to make this decision. Some examples of an emergency situation would be an accident or a health emergency.

All bussing changes require a 48 hour notice and must be made directly to the transportation department, 937-295-3931 or e-mail deb.westerheide@loramie.k12.oh.us. When sending by e-mail the 48 hours will start after you receive confirmation of the change. Notes/phone calls to a teacher, building secretaries or bus driver requesting a change cannot be granted.

All final decisions on transportation requests rest with the Superintendent or Transportation Coordinator. Please read the Questions & Answers section below to assist you in understanding the bussing procedures within the district.

#### **QUESTIONS & ANSWERS**

I forgot to let the transportation department know that I had changed babysitters this year. The bus will be stopping at the babysitter's house. May I request a bussing change to start on the first day of school? Yes, but this change will need a 48 hour notice and will need Superintendent or Transportation Coordinator approval.

Can my children be picked up in the AM every day at our residence and be dropped off 3 days a week at the babysitter and the other 2 days dropped off at our residence? Yes to AM as it is the same pick up point. No to PM as they must have the same PM drop off point every day.

I will be on maternity leave, can I have my child(ren) pick up and dropped off at our residence instead of the babysitters? Yes. Please notify us as soon as feasible.

In the case of a school delay, I have to leave for work before the bus will be at my house to pick up my children. Can I make other bussing arrangements for only delay situations? Yes. As stated in rule #5, your child may get on at another established stop on their route or if your child already has an established babysitter stop, they may be picked up there. We will not establish a new stop.

I am going to start a new job, and need to have my children dropped off at a babysitter after school. Will I be able to make this bussing change? Yes. You will need to give a 48 hour notice.

We just built a new home, but there is no bus that currently goes by our house. Can I request transportation for my child/children? Yes. We will change bus routes for new homes, moving to a different home, or move-in situations as long as the new address is in the district. You will need to provide a 48 hour notice.

My babysitter has a situation that makes her unavailable to watch my child for the next three days. Can I request a bus change? Yes, but any request of this nature requires a 48 hour notice and must be on a current bus route at an already established stop. We will not establish a new stop.

My children usually get off the bus in the PM at the babysitter, but I am going to be home for the next few days, can I have them dropped off at home instead of the babysitters? If your home residence is not a regular stop on the route in the PM, then No as this is not an established stop. Even though the bus may stop in the AM. The AM and PM route sheets are different due to student's different AM & PM schedules.

## My Child has Destination Imagination and/or Tutoring after school, do I need to send in a note 48 hours in advance?

No, please just send in a note the day of. Example: If they have practice after school on Tuesday, please send in a note Tuesday morning. You may also list all the dates on one note.

#### My Child has Kids Korus after school, do I need to send in a note 48 hours in advance?

No, please just send in a note the first day of practice letting the office know they are in Kids Korus. They have a set practice schedule, so just the first day will be fine.

#### We will still be having the Town Courtesy stops.

All town stops are courtesy stops. We do not keep track of who gets on or off at these stops. However, if your child usually rides a regular bus route and they want to go to a courtesy stop, this will require 48 hours' notice. This is necessary as it will indicate to the bus driver that this student is on or off their bus.

#### Please indicate on the form which Courtesy stop you will be using.

Courtesy town bus stops are currently; West Main (new Water St.), Indian Trail (south side), Eastview (near 56 Eastview & 70 Eastview), Oakwood (near Wabash & near Miami), Stadium (near 250 Stadium), Greenback (400 Greenback), Woodland (near 140 Woodland), Monterey (near 260 Monterey), Hickory (near 70 Hickory), Elizabeth Court (near 545 Elizabeth). These are subject to change.
