REDSKIN REVIEW

FORT LORAMIE
LOCAL SCHOOL DISTRICT

AUGUST 2023

A MESSAGE FROM THE SUPERINTENDENT:

The start of the new school year is just around the corner. This newsletter contains many important pieces of information to assist in a smooth start to the school year. Please keep this information for reference throughout the year.

The Open House for our district is set for Monday, August 14th from 6:30pm – 8:00pm. We encourage you to take this opportunity to tour the school buildings and meet your teacher. Our bus drivers will also be available at the elementary building for the Open House. Please stop by and meet the drivers and review the route pick-up and drop-off times. These will be posted on the route sheets located by the cafeteria. Parents will be able to pay school fees the night of the Open House. The first day of school is set for Wednesday, August 16th.

We have completed the high school parking lot repaving project and the renovation of the football field. Our maintenance staff has been hard at work preparing the buildings for the start of the school year as well. Our teaching staff has also been working to get their individual classrooms ready for the beginning of school. I would like to thank them for their efforts in preparing for the start of a new year.

We appreciate your continued support of our school district. The support of our community contributes to the many successes we experience as a district.

In Education,

Daniel B Holland

INCLEMENT WEATHER

In the event of school closing or delay, we will notify our students, parents and staff via our “One Call Now” system. If you have signed up for the OCN texting option, you will also receive text notifications. In addition, we will post delay and cancellation information online at www.whio.com and www.hometownstations.com

ON CALL NOW

One Call Now is used by the school district for school delays and cancellations as well as entire building or district announcements. If you have a change in your phone/cell numbers that you provided to the school, it is **your responsibility** to contact the school district to inform them of any changes. Please contact Deb Westerheide at 937-295-3931 or e-mail deb.westerheide@loramie.k12.oh.us. (This is only for families with students enrolled in the Fort Loramie School District.)

FREE & REDUCED LUNCH APPLICATIONS

The Free & Reduced Lunch applications will be available August 10th on the Fort Loramie Schools website: www.loramie.k12.oh.us under “Parent Student Links”; Forms; Free & Reduced Lunch Applications. The forms will also be available in the building offices and at Open House.

FROM THE ELEMENTARY PRINCIPAL:

We are looking forward to another wonderful school year coming up. We have some changes that occurred in the elementary this summer. Mrs. Amy Wrasman will be moving to 4th grade ELA and Math, and Mrs. Hayley Wolf will now be teaching K-3 Reading Intervention. We have added Ms. Clair Albers in 1st grade, Ms. Jocelyn Tangeman in 2nd grade and Ms. Logan Kaiser, intervention specialist to our staff family this past summer. We are excited to have them join the Fort Loramie Elementary family.

Enjoy the rest of your summer and I look forward to seeing you at the Open House on Monday, August 14th!

ELEMENTARY OPEN HOUSE AND FIRST DAY OF SCHOOL

The 2023/2024 school year will begin on Wednesday, August 16th. **Our annual Open House for grades K-6 will be held on Monday evening, August 14 from 6:30 until 8:00 p.m. in the elementary building.** The open house is a great time for you to bring your child to school to visit his/her new classroom and to meet their teacher for the coming school year. **You may also pay student fees in the office.** The teachers will prepare a packet of information for your child to help prepare them for the first day of classes. Included in this packet are many forms that you will need to complete, sign, and return to your child's teacher. ***Finally, please be prepared to sign up for parent/teacher conferences for either October 18th or 25th.***

SPECIAL INFORMATION

If there is **special information** about your child of which his/her teachers should be aware, (**illnesses, special problems, diets, etc.**) **please notify us before school starts.** This information is important to teachers in planning the best program for your child.

CLASS ASSIGNMENT

Class assignments have been made. Please do not request special placement for your child as we will not make changes. Teachers have already been hard at work making things for their students that require names (especially in primary grades). Our records have been typed, files separated, and other clerical work done based on present lists. **We have an excellent staff and are confident that your child will benefit no matter where he/she is placed.**

Thank you!

STUDENT CROSSWALKS

Student crosswalks will be the same as last year. Students need to cross at Church Street at both SR 705 and Elm. Please help students understand the need for using these crossings. Middle Street is much more dangerous because of the traffic, visibility and buses throughout the morning and afternoon.

Attention Parents:

Please complete the form below and bring it with you when you pay your student fees. The elementary office will be open to accept payment during August from 8:00 to 3:30 each day and also on **Monday evening, August 14, from 6:30 to 8:00 p.m. (OPEN HOUSE).**

Please do NOT combine Book Bill payment and Lunch Money payment on the same check.

PLEASE MAKE CHECKS PAYABLE TO FORT LORAMIE SCHOOLS.

ELEMENTARY DROP OFF IN THE A.M.

Parents, due to congestion that occurs at the intersection of Elm and Middle Streets in front of the elementary, we are asking that you or whoever is bringing your child to the drop-off at the elementary school please utilize the entire stretch of the side-walk along the driveway near the school doors. There is ample room for 6 or 7 vehicles to be dropping off at once if necessary. There is no need to wait until you are in the first spot for kids to get out of the vehicle.

This will hopefully keep the traffic through that area moving so that vehicles approaching the school do not have to stop on Elm St until there is room to pull into the school driveway, and also create a safer environment for the children who walk to school each day and need to cross at that intersection.

BUS CHANGE NOTES

If you need to send a note concerning a bus change, it is important that you include the following information in the note. Also please send a bus change note for EACH student.

1. Student's first and last name
2. Student's grade and teacher's name
3. **Name and address for bus change—this is a MUST**
4. Phone number where you can be reached
5. Put a date on the note
6. Sign the note with first and last name

This information will insure less confusion and will make sure your child is on the correct bus. *Please use the form that is on the Fort Loramie Schools website, under "Transportation", "Transportation Change Permission Form".*

ATTENTION PARENTS AND GUARDIANS

PROGRESS BOOK AND INTERIM REPORTS

Parents and Guardians have access to the Fort Loramie Elementary and Junior/ Senior High School Progress Book. The Progress Book program provides parents/guardians with an updated report of their child's grades in each class on a daily basis.

To be able to use the Progress Book, parents/guardians must have a username and password. If you do not have your username and password, please e-mail pbook@loramie.k12.oh.us at Fort Loramie High School and one will be provided to you. When e-mailing in the request, please include the parent/guardian name and all of the children's names.

We will **NOT** be sending out Interim Reports for elementary and Jr/Sr HS students and Grade Cards will only go out to elementary students, because parents/guardians have access to their child's grades daily through Progress Book. We realize that some families do not have access to the internet and therefore can not use Progress Book. Therefore, we will provide Interim Reports and Grade Cards to parents/guardians who request them by contacting the principals office. Please feel free to contact the Elementary/High School Office if you have any questions.

NOTES FROM THE JR/SR HIGH SCHOOL PRINCIPAL:

I am excited to welcome you to the 2023-2024 school year. I know that the staff members and I are looking forward to another successful year at Fort Loramie High School.

We have one new additions to our staff this year at FLHS, Mrs. Lindsey (Hilgefort) Gasson will be our new Algebra 1 and Geometry instructor. Lindsey comes to us after having taught at Troy High School for the past 6 years, and we are excited to have her working with our students. I encourage you to please stop by when you have a chance to make her feel welcome.

As a reminder, all annual forms are to be completed in the online system OneView. Please be sure to complete, or make any changes (if necessary) to your form before the school year starts. To assist in this process, we will have a few computers available during our Open House to help have everyone register and finalize this necessary step.

To pursue our mission of college and career readiness at FLHS, and to strengthen your child's academic achievement, we as a staff must also work to create a positive partnership with you as the parent. A strong partnership with you will make a difference in your child's education. Therefore, please let us know if there is anything we can do to help us assist your child's success. We look forward to seeing many of you at Open House on August 14th and working with your child on our first day of school, August 16th.

As always, we thank you for your continued support and assistance. It is your support that makes our success

Sincerely,

Kreg J. Hollenbacher
Jr/Sr High School Principal

ABSENCE NOTIFICATION POLICY

Parents are required by law to call the school or send a written note on the morning their child is absent or tardy with an explanation for such absence. This provides a check on the student's safety. The school's phone number for the Jr/Sr High School is 937-295-3342 and the Elementary phone number is 937-295-2931. Absent note forms are found on the Fort Loramie School website: www.loramie.k12.oh.us under "forms".

EARLY DISMISSAL: A written note, signed by a legal parent or guardian, is needed for each student who desires to leave school during the day or be dismissed early. You may use the absence note form as mentioned above. This note should include the students first and last names, elementary teacher name, date, parent's signature and reason for the early dismissal.

INFO:

- All students visiting a doctor or medical examiner during the school day **MUST** bring in a notice from the doctor's office accompanied by a signature of the parent/guardian.
- Students who reach the age of 18 will need to have written permission from their parents to write their own absence notes.
- Parents will be notified of any excessive absences per State Law. Excessive absences are 38 or more hours in one (1) month with or without excuse of 65 or more hours in one school year with or without excuse.

ONEVIEW

Parents: Fort Loramie Schools has an online system for collecting critical information for all students. The annual forms for each school year will be done through OneView. If you haven't already done so, please complete your necessary online form before the start of the school year.

Information about how to complete this process is available on our school website. From our home page, just click on the tab labeled "Loramie OneView." This will then provide you the link and instructions you need.

ATHLETIC PHYSICALS/SPORTS CONTRACTS/ACADEMIC ELIGIBILITY

Physical examinations and Training Contracts are required of all student athletes each year before the first practice or try out. Physicals are required of all students in grades 7 through 12 – No exceptions. Athletic packets containing the physical evaluation forms and training contracts are available on OneView and at <https://www.ohsaa.org/medicine/physicalexamform>

Academic Eligibility: Student-athletes must currently be enrolled in school and have received a passing grade in a minimum of five one-credit courses, or the equivalent, in the immediately preceding grading period. Athletic eligibility will require a minimum grade point average of 1.0 each grading period. Students who fail to meet these criteria as well as other Ohio High School Athletic Association eligibility standards at the beginning of a grading period, will be ineligible for the following grading period.

SCHOOL PICTURES

Elementary School pictures will be taken on Thursday, September 28. Jr/Sr High School pictures will be taken on Friday, September 15. The format will be similar to last year. This year we will again offer a wide variety of package choices and the option of different backgrounds.

We will continue the pre-pay program. Prior to pictures being taken, a flyer will be sent home describing the different packages. Parents and students pick out the package they want and send the appropriate payment to school with their student on picture day.

In the event that you are not satisfied with the pictures, your child will be scheduled for retakes, or your money may be refunded in full.

Pictures will be taken of all students in grades K-12 for the purpose of making the Elementary Memory Book and the Jr/Sr. Yearbook. **The elementary Memory Book will include students in grades PreK-6. The Jr/Sr yearbook will include students in grades 7-12.** There will be no packages made up for students that have not paid. If you have any questions about this procedure, call the building principal (Elem. 295-2931; High School 295-3342).

Fort Loramie Schools will again be working with Lange Photographics of Wapakoneta, Ohio. They will be taking all of our pictures, including senior portraits and our Memory Book photos. The individual student pictures are for all students in kindergarten through grade 12. **The retake picture date for the Jr/Sr HS will be on Wednesday, November 1st and at the Elementary on Tuesday, November 14, 2023.**

DRESS CODE

Shorts may be worn by students in grades K-12 from April 1- October 31st. When shorts are worn to school, they should be conducive to the educational atmosphere. Shorts should be at least mid-thigh in length and of a dress type quality. Students may not wear cut off shorts, short shorts, or other types of shorts not appropriate for school. **Attn: K-6 Students only: Due to safety concerns, no flip flops are to be worn during school hours.**

Also, please discuss with your child the inappropriateness of T-shirts with inappropriate advertisements and distasteful slogans. We will continue our policy of having the students go home or call home for a different shirt.

We appreciate the cooperation we have received in this regard. Thanks!

STUDENT HANDBOOK

Student handbooks are prepared for the benefit of students and parents in learning about school policies and procedures. Junior and Senior High students' handbooks are now a part of the Daily Planner they will pick up with their schedules. Elementary handbooks are available on our website at www.loramie.k12.oh.us under the elementary section. Copies will also be available upon request. Please review the handbook and familiarize yourself with our policies. The HS handbook will also be available on the Fort Loramie Schools website. Thank you for your support as we begin a new year.

MEDICATION POLICY

Medication can only be administered to a student with the permission of a parent on the official school request form. Medication must be sent to school in the original container with the students name on it. Please find the requested form on the Fort Loramie website www.loramie.k12.oh.us under Forms and fill out completely. Additional copies may be obtained from the school office.

Thanks to those parents who have been so cooperative with us in carrying out these state mandates.

GIRLS BASKETBALL CAMP - 2023

Another fantastic week of playing basketball took place in June at Fort Loramie High School. 76 campers in grades 3-8 improved their fundamentals while competing daily in an array of contests and activities.

Dribbling, defense, rebounding, passing, and shooting were the fundamentals taught by the high school players to the young campers. They also played 3 on 3 and 5 on 5 daily, while learning how to play as a team and showing great sportsmanship. Campers also learned how to set screens, the give and go, shooting layups, among a few other skills. We also included team contests each day such as Hot Shot, Free Throw shooting, dribbling relays, shooting drills, and the famous Fort Loramie crabwalk contest. Another favorite was the shoe off relay, which always garners a lot of laughs. Thanks to all the campers for coming and having fun!

BIRTHDAY CELEBRATIONS

Due to the growing concern of allergies, students will **no longer be permitted** to bring birthday treats in to be shared with the class. The classroom will still celebrate their birthdays on that special day. Your child may bring in a non-food item to share with the other classmates if they would like. We will have a special birthday celebration at the end of each month in the cafeteria for those students celebrating a birthday that month and provide a treat. Thank you in advance for your support and understanding.
