SUPERINTENDENT

Special Recognition Issue

JUNE 2024

A MESSAGE FROM THE SUPERINTENDENT:

Congratulations to the 65 members of the class of 2024. The success of these graduates takes many individuals. I want recognize the parents, staff, Board of Education, administrators, and community members, for the encouragement and support that you gave these graduates. The class of 2024 earned over 2.8 million dollars in renewable scholarship money. Upon graduation, 17 students will enter the workforce, and the rest will enter a two or 4-year college. These new alumni will undoubtedly do great things.

The June edition of the newsletter includes the annual recognition of all our students. It is truly amazing to see all of their accomplishments. This has been another very successful year for our school. This is evident through our 5 Star rating, our Blue Ribbon school nomination, and our ranking among school districts throughout Ohio. Your district is achieving at very high levels and continues to prepare students to be competitive in all of their future endeavors.

Through the support of the Education Foundation and the Shelby County Match Day, we were able to continue providing mental health counseling to our students. This program will continue for the 24-25 school year. Opportunities for students to receive these services has increased and the program has been helpful and beneficial.

This summer we will have construction activity at the high school as we continue to repair the plumbing in that building. We hope to be done with this project in July. This will be the only major maintenance related project taking place this summer. Our facilities continue to be well maintained and functional.

Finally, I would like to thank the community for the continued support they have provided our students. It is not surprising that our students succeed in many areas because they have an entire community encouraging them.

Have a safe and enjoyable summer!

In Education,

Daniel B. Holland

ATHLETIC PHYSICALS AND SPORTS CONTRACTS

Physical examinations are required of all student athletes each year before the first practice or try-out.

Physicals are required of all students in Grades 7 through 12 — NO EXCEPTIONS. Athletic packets containing the physical evaluation forms and training contracts are available in all school offices and on your FinalForms account.

All paperwork must be uploaded to the FinalForms account.

ATHLETIC ELEGIBILITY

High School: Students athletes must be currently enrolled in school and have received a passing grade in a minimum of five one-credit courses, or the equivalent, in the immediately preceding grading period.

Junior High: In accordance with bylaws 4-4-4 and 4-4-5, students who are enrolled in a member 7th-8th grade school for the 2022/2023 school year will be required to pass a minimum of five courses of all subjects taken in the preceding grading period.

Athletic eligibility will require a minimum grade point average of 1.0 each grading period. Students who fail to meet this criteria as well as all other Ohio High School Athletic Association eligibility standards at the end of a grading period, will be ineligible for the following grading period.

FROM THE ELEMENTARY PRINCIPAL:

Another fantastic school year has come and gone. I would like to thank the staff and students for their hard work this year. A big thank you also goes out to the parents and the community for their support.

The Spring State Assessment scores are in and the students did a wonderful job. We had the following passing rates:

3rd ELA – 98%
3rd Math – 100%
4th ELA – 89%
4th Math – 98%
5th ELA – 97%
5th Math – 98%
5th Science – 95%
6th ELA – 85%
6th Math – 91%

Make sure to check out the Intermediate Student Awards list in this edition. Congratulations to all of the recipients for their dedication to education and the community.

Mark your calendars that our Open House will be Tuesday, August 13th from 6:30-8:00. Our first student day back is Thursday, August 15th.

We are looking forward to next school year and implementing Rachel's Challenge in our elementary school program. Ft. Loramie Education Foundation has graciously offered to pay for the programing. The program focuses on Sharing Kindness with everyone around you. We have numerous exciting things scheduled throughout the school year to help foster the spread of Kindness in our building and beyond.

I would like to wish everyone a safe and enjoyable summer vacation and look forward to seeing all of the students again next school year.

ELEMENTARY CHRISTMAS CONCERT

The annual Elementary Christmas Concert will be December 9th at 7:00pm in the High School Gymnasium.

FORT LORAMIE EDUCATION FOUNDATION

Fort Loramie Education Foundation (FLEF) awarded many scholarships to our graduating 2024 Seniors! We couldn't do this without the generous support from our community and our donors! In January alone, FLEF received more than \$4,000 in donations! We can't thank our local businesses and donating individuals enough. If you are interested in donating, we encourage you to visit our website: <https://www.loramie.k12.oh.us/FortLoramieEducationFoundation.aspx> to learn more. Be on the lookout for our new donation box at events such as: graduation, the Wall of Honor, and Guest Speakers sponsored by FLEF. Every dollar helps create a brighter future for our students!

If you are interested in becoming a Director on the FLEF committee, please email us at: FLEF@loramie.K12.oh.us
Thanks again for all your support!

WORLD IN MOTION CAR DERBY

Students were cheering wildly for their favorite team to win while watching two cars zoom down the wooden ramps for the finale. Fort Loramie 5th graders recently completed the World in Motion program sponsored by Honda of America. The program was developed by the Society of Automotive Engineers to provide classroom experiments for the application of math and science principles.

During Fridays in March the 5th grade science classroom became a workshop for groups of students as they worked together to design the best milk carton car. This project helps to reinforce the concepts of friction, gravity, and resistance, as well as potential and kinetic energy. This hands-on experience encouraged students to take risks in developing the most efficient milk carton car. On March 15th, the annual Milk Carton Derby took place in the school cafeteria.

Trophies were awarded to five separate groups. Winning first place in the derby was the team Tiny, But Mighty Racers (Lily Cotner and Brynn Hollenbacher). The Razzler (Karrina Poeppleman, Lauren Bertke, and Wyatt Roach) won second place honors. Third place trophies were handed out to the members of Muscular Milk Car (Eli Schafer and Grant Koverman).

Best Car Design was awarded to Yellow and Green Farm Machine (Ava Boerger, Lizzy Gaier, and Dominic Hoying), while Best Named Car went to Gizzard Gulper (Quinn Pleiman, Ariaanna Ross, and Mason Welch).

The fifth grade students and teachers would like to thank Honda of America, and especially Honda engineers Janet Siegel, Greg Rethman, Cole Meyer, and Greg Timmerman for their encouragement and assistance with this project. Honda also provided every student with Honda sunglasses and pens.

HAVE YOU REGISTERED YOUR KROGER PLUS CARD?

Kroger has once again agreed to dedicate millions of dollars to assist local charitable organizations of all sizes, through the Kroger Community Rewards Program. A.C.E. is proud to be one of the local programs registered in this program. To participate, Kroger is requiring A.C.E. supporters to enroll their Kroger Plus Cards online. To do so, login to your online Kroger account and click on the 'My Account' button then scroll to the Community Rewards information. SEAT RELOCATION – OPTION

In the past we have assigned reserved seats based upon the seat you had from the previous year/years. If you would like to move your seat, or would be open to being seated elsewhere to help accommodate football parents wanting to be seated near each other, please indicate that choice below.

- Yes, I am fine sitting elsewhere to allow room for parents to sit together where possible.
- I would like to retain my current seats and their current location.
- FOOTBALL PARENTS: Please indicate if you would like a new centralized seat location. *

**Seating relocation will depend upon availability of open seats. Preferences for any seating changes will go to 1) Returning Reserved Seating Customers, 2) Senior Parents, and then on down the line by classes. By selecting your choice for your seats to be relocated does not guarantee reserved seats for the 2024 season will change.*

Family All Sports Pass - \$350

A Family All Sports Pass purchase includes two (2) Adult All Sports Passes and up to two (2) Student All Sports Passes. Family All Sports Pass will include two (2) Reserve Football Seats and must indicate at the beginning of the season which passes are for reserve seats. **There will be a \$50 charge for each child's pass over the two included with the package.**
