District

Spanning 45 square miles, Fort Loramie School District serves the educational needs of Fort Loramie, Ohio. Currently, the district consists of one elementary school and one junior/senior high school utilizing a K-6 and 7-12 configuration.

Fort Loramie High School was recently recognized as a recipient of the College Success Award—Gold by GreatSchools.org for preparing students to succeed after graduation. In addition, the Fort Loramie Local Schools was rated in the top 100 schools in the State of Ohio by the U.S. News and World Report for the last three consecutive years. Most recently, Fort Loramie High School was recognized by the US Department of Education as a National Blue Ribbon School. The Fort Loramie Elementary School was given this prestigious award in 2014.

High School

Fort Loramie High School is a comprehensive four year high school that offers a wide range of courses which are compatible to each student's interests, abilities, needs, and post high school plans. The fall enrollment for grades 9-12 in the 2026-2027 school year is 216. Fort Loramie High School will continue to operate on a modified block scheduling format. Students schedule their normal course load, along with a Tribe Time, which is used for extra help, homework, intervention, etc. The modified block schedule provides more instructional time for staff and students and incorporates an Intervention and Enrichment period into the schedule to support and stretch the abilities of our students.

Upper Valley Career Center (UVCC)

The Upper Valley Career Center is a career technical program which allows students to be exposed to and attend programs offered. Some UVCC programs do allow students to earn college credits and all programs give students a hands-on opportunity to begin to learn a specific career and/or prepare for a specific college major. Students who enroll in the UVCC must first complete an application to be accepted into the program.

Pathways offered at UVCC:
Agricultural and Environmental Systems
Art and Communication
Construction Technologies
Education Training
Engineering and Science Technologies
Health Sciences
Electronics
Hospitality and Tourism
Human Services
Information Technology
Manufacturing Technologies
Transportation Systems
Transitional Access Programs
