DATES FOR NEXT SEMESTER

ACT testing for all juniors: this test will be Feb. 27th at FLHS. All juniors will report and take this state-funded ACT at the high school. This is the last year the state will be requiring all juniors to take the exam, next year, students will be able to opt-out of this opportunity.

Right now, a tentative date of March 20th is scheduled for all seniors to be at FLHS for CPR and AED training with Wilson Medical Center. This training will be paid for by the district, as it allows us to comply with state law, and is a requirement for graduation.

Then on March 22nd, we will once again have our Career Day Speakers. Last year we filled the HS gym with over 40 speakers from different professions, and we are hoping to duplicate that success this year.

DRAMA CLUB

The Drama Club will have their production on April 18th – April 21st. The production, which will once again be a collaboration between Fort Loramie and Russia students, will be The Adams Family.
