BOARD BRIEFS

The following is a summary of the Regular Board of Education Meeting held on July 18, 2022.

- The Board approved minutes of the Regular Business Meeting held on June 20, 2022. The monthly financial report indicated June General Fund receipts of \$301,071 and expenditures of \$805,874. The anticipated carry-over balance for the end of the 2021-2022 fiscal year is \$7,009,469.
- In the Elementary Principal's report, Scott Rodeheffer reported as follows:
 1. Thanks to the custodians for their hard work with cleaning the elementary building.
 2. We hosted Camp Laff-a-Lot last week and had 66 campers attend.
- In the Junior/Senior High School report, Mr. Hollenbacher reported as follows:

CUSTODIAL STAFF

I would like to thank the custodial staff for their work in the building this past month. They are doing a great job and they are ahead of their schedule when compared to where they usually are at this time of year.

ONEVIEW

A mass communication email was sent to all parents in the district last week, reminding them to complete their necessary paperwork and forms on OneView. Fall athletes need to have their paperwork in before August 1st, and all students need their forms completed before the first day of school.

AP TEST SCORES

The board was updated on our AP testing scores from this past spring, along with some differences between AP Classes and College Credit Plus classes we offer.

TICKET PRICING

At the June Shelby County Athletic League meeting, the league voted on ticket prices for the year and ticket prices will not increase for this year. It will be \$7 for varsity contests, \$5 for students and all junior high and track meets will be \$4 per ticket. The league did have to increase the payment of officials around \$5 - \$10 per contest in some sports to stay competitive with other area conferences, but that cost will not be passed on to our athletic patrons at this time.
