## Christmas Programs

### MISSION OF THE SCHOOL:

Ft. Loramie Elementary will develop character attributes that promise a positive learning environment.

### GOALS:

1. Ft. Loramie Elementary will promote social skills pertaining to developing positive relationships.
2. Ft. Loramie Elementary will develop accountability in the students concerning their educational responsibilities.

Fort Loramie Elementary School invites you to their annual Elementary Christmas Program on December 9th at 7:00 PM in the High School Gym. Additionally, the 5th and 6th Grade Band and Kids' Korus will showcase their Christmas Concert on December 16th in the Junior High Gym. We warmly welcome everyone to join us in celebrating the season with these festive performances!

## Rachel's Challenge Outreach

As part of the Rachel's Challenge program, the fifth graders worked together to collect new and used blankets for the animals at the Shelby County Animal Shelter. The kids gathered 71 new and used blankets, and the shelter was very thankful for their help. This outreach of kindness is especially meaningful as the blankets will help provide comfort and warmth to the animals in need as the colder months approach.

For the month of November, each Kindergarten class decorated a Thanksgiving craft with their 6th grade buddy that was then brought to a local nursing home for the residents to enjoy.
